Totally not ok!! Do not be corrupted by Duke Energy. That's why McCrory lost--because he sold out the people, as a Judas, paid by Duke Energy. We trust that you are better...! (?)...and that you want to stay in office. (?)

...And that you don't want to play the very same dirty games of the gerrymandered extreme right NCGA that we progressives *do* hope you will outlast??

...This ACP stuff is just *not* in keeping with your ethical stands on stopping off-shore drilling, or taking down racist confederate monuments.
Or so many other things.

The Atlantic Coast Pipeline will HURT poor N.C. residents and communities of color MOST. It will harm PUBLIC water and land and tourism and local economies. ALL for the largest private utility in the country to profit off the statewide suffering, for which you'd get bought off and pressured to sign into place??

Not cool, or in keeping, with what you do/say you do, dear Gov McCrory. You'll lose *so many votes* which you cannot afford to see go. Not worth it!!

Say NO to ACP, and YES to the people of NC!
